

Read to Your Child

A moment. A book. Your voice.

*Reading to your child
strengthens your bond.*

Reading to your child doesn't have to take long.

Just a few minutes together can become a special moment.

*Czytanie dziecku
ma znaczenie:*

it creates closeness, comfort and time together – and along the way, there are many opportunities to talk, laugh, ask questions and be amazed together.

All you need is:
a moment, a book
and your voice.

Sometimes, books can create little miracles.

Mini Guide for Parents

Reading to your child is easy:

- 👉 Choose a cosy moment.
- 👉 Sit close to your child.
- 👉 Read slowly – and feel free to use different voices.
- 👉 Your family language is wonderful!
- 👉 Look at the pictures together.
- 👉 Talk about what you see and read.
- 👉 Ask questions such as: "What can you see?" or "What do you think will happen next?"

And what if you only have five minutes today? That counts, too. ❤️
